# Le Ossidiane

Contrasti evidenti, superfici che evocano lavici paesaggi costieri, raffinate decorazioni nel formato 20x20 dialoganti fra pergamena e bronzo: uno stile contemporaneo che stimola una creatività ben calcolata e un gusto progettuale attento alla moda e al design. Ideale per rivestire ambienti sia interni che esterni.

**[en]** Clear contrasts, surfaces that evoke coastal landscapes covered in lava, refined decorations in the 20x20 format, interacting between parchment and bronze: a contemporary style that stimulates well-calculated creativity and a taste for composition that is attentive to fashion and design. Ideal for covering both internal and external ambients.

## A casa di Ernesto H.

Valencia, Spagna

L'eclettica personalità del proprietario, noto produttore televisivo, molto legato alla sua terra spagnola, ha ispirato la scelta della collezione *Le Ossidiane* per la sua casa di Valencia. Contrasti evidenti, superfici che evocano lavici paesaggi costieri, decorazioni dialoganti fra pergamena e bronzo: uno stile contemporaneo che stimola una creatività ben calcolata e un gusto progettuale attento alla moda e al design.
