# A complete range for any architectural and design need

The large sizes offer an aesthetic and compositional potential capable of interpreting the essence of each project: from wall and floor coverings to furnishing elements (bathroom or kitchen counters, worktops, washbasins, and tables) for residential and commercial environments, with both indoor and outdoor applications.

I grandi formati offrono potenzialità estetiche e compositive capaci di interpretare l'essenza di ogni progetto: dal rivestimento di pareti e pavimenti agli elementi di arredo (top per il bagno o la cucina, piani lavoro, lavabi e tavoli) per ambienti residenziali e commerciali, con applicazioni sia in interno che in esterno.

Les grands formats offrent des potentialités esthétiques et de composition capables d'interpréter l'essence de chaque projet : du revêtement des sols et murs jusqu'aux éléments d'ameublement (top de cuisine ou de salle de bains, plans de travail, tables et lavabos) pour des espaces résidentiels et commerciaux, et des applications d'intérieur et d'extérieur.

Großformate besitzen hinsichtlich Optik und Kompositionen ein Potenzial, mit dem sich jedes Projekt perfekt interpretieren lässt: Vom Wand- oder Bodenbelag bis zu den Einrichtungselementen (Deckplatten für Bad oder Küche, Arbeitsplatten, Waschbecken und Tisch). In Wohn- oder Gewerberäumen, innen wie außen.

Los grandes formatos ofrecen un potencial estético y compositivo capaz de interpretar la esencia de cada proyecto: desde revestimientos de paredes y pavimentos hasta elementos de mobiliario (encimeras de baño o cocina, lavabos y mesas) para ambientes residenciales y comerciales, con aplicaciones tanto en interiores como en exteriores.

Большие форматы обладают огромным эстетическим и композиционным потенциалом: ими можно покрывать не только полы и стены, но и множество предметов обстановки (кухонные столешницы и фартуки, умывальники в ваннных комнатах, столы и т.д.); их можно укладывать в жилых и коммерческих пространствах, внутри помещений и на улице.

# STONE LOOK

## A totally natural touch

The large surfaces of stone-effect porcelain tiles bring out the most surprising details of this material, decorating spaces with natural simplicity. A neo-primitive look with an extraordinary creative potential, which in the large format acquires even more earthy, expressive strength.

Le ampie campiture del gres porcellanato effetto pietra valorizzano i dettagli più sorprendenti di questa materia, per arredare gli spazi con naturale essenzialità. Un look neoprimitivo e dallo straordinario potenziale creativo, che nel grande formato acquista ancora più forza materica ed espressiva.

Les grandes surfaces du grès cérame effet pierre valorisent les détails les plus surprenants du matériau et décorent les espaces avec un minimalisme naturel. Un look néo-primitif, avec un extraordinaire potentiel créatif, qui acquiert encore plus de force d'expression grâce au grand format.

Große Flächen aus Feinsteinzeug mit Natursteinoptik bringen die erstaunlichsten Details dieses Materials zur Geltung und lassen schlicht-natürlich wirkende Räume entstehen. Ein neoprimitiver Look von außerordentlich kreativem Potenzial, der im Großformat noch mehr stoffliche Stärke und Ausdruckskraft gewinnt.

Las grandes superficies de gres porcelánico con efecto piedra realzan los detalles más sorprendentes de esta materia, dotando a los espacios con una esencialidad natural. Un aspecto neoprimitivo con un extraordinario potencial creativo, que en gran formato adquiere aún más fuerza material y expresiva.

Большие керамогранитные поверхности, в мельчайших деталях воссоздающие фактуру природного камня, эффектно украшают пространства своей натуральной лаконичностью. Обладающий огромным креативным потенциалом материал благодаря оригинальной ноте неопрimitивизма и крупному формату приобретает еще большую силу и выразительность.
