UNDER A ROCK SKY THE STARS FELL

The underground inspiration doesn't conform but is dressed in a concrete and dynamic materiality. Thus, Irregular and furrowed for an alternative destiny, Alurock celebrates embracing all the reflections of the night for a surface that becomes the mirror of an extravagant everyday life.

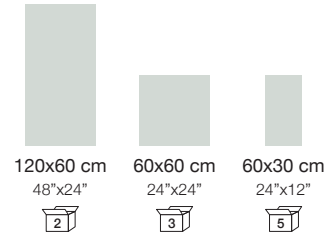

L'ispirazione underground non si conforma ma si veste di una matericità concreta e dinamica. Così, irregolare e solcato per un destino alternativo, Alurock festeggia abbracciando tutti i riflessi della notte per una superficie che diventa lo specchio di una quotidianità stravagante.
